CORRESPONDENCE

Dear Josephine

You and I are not
very good friends but I will
not forget you all the same
I am in England and I went
home expecting to myrick
but when I got there he
was dead. Well there is
lot of slush over the boat
top here but it is raining
all the time here. It
rains every day here. I
guess that fellow of yours
will be a nice young man.
now. Friend Frank *****
