Dear Viola

Here is a Soldiers Card

These are the Transport Waggon's that take
and bring our food supplies and the
Soldiers behind are there to Guard them
This was taken on our long march from
Quebec to Toronto 1915. I took your
apple that you gave me to Canada and I
was camp nice, and I made me think
about you I hope that you Mother, Dad, and
Ab, are quite well with lots of love X X X X
