my Dear Friends. Just a line to say that I
arrived safely at my journey's end after a
pleasant voyage & no sickness whatever. I got
back to Buffalo all right & went to bed
soon after I got on the train. Got to Montreal
on time & we sailed exactly on time 10.00
I got along fine & when I got to Nottingham
my Aunt took to 3 cousins met me not
O.K. It has rained almost every day since I
got here so haven't been out much. England
is beautiful now in its spring dress of green
& dotted with all shades of the rainbow
with its flowers, and the picturesque homes
& beautiful gardens. I want to thank you
again for your hospitality. It did seem nice
even at that short stage of my trip to see a
familiar face. Sincerely yours
F. E. Wendell.

I sat in the chair the barber
says "what'll you have a share?"
I told him no I wanted two
