

The Season's Greetings

My Dearest Wife:-

May this be the
last Xmas card I
have to send. The
rest I want to put
on our own little
tree. One just for
the three of us,
beside a fire place
of logs & burning
spruce. A wish
worth wishing for
my darlings.

WITH GOOD WISHES FOR
CHRISTMAS
AND THE NEW YEAR

from

Your ever loving husband
& daddy.
