LET US PRAY

O GOD, OUR HEAVENLY FATHER, who hast led Thy people wondrously in times past, cleanse our minds and hearts, we beseech Thee, from all that is un-Christlike, and fill us with Thy love that we may be fit instruments in Thy hand for the coming of Thy Kingdom of Righteousness, Peace and Joy.

Especially do we pray for those who have answered the call for National Service in the high places of the field. Be Thou their Guard in danger, their Strength in weakness, their Companion in loneliness, their Comfort and Hope in suffering. May their service soon end in righteous victory and abiding peace.

Look with compassion, we pray Thee, on the sick, the wounded and the captives. Comfort all that mourn, and sustain those who are anxious and fearful. Give wisdom, sympathy and patience to all who give themselves in the gracious ministries of comfort, health and healing. In Thy loving keeping do we commit those whose warfare is ended and who are at peace with Thee.

May the fortitude of those who have suffered most through war encourage us to a like devotion in the common round, ever mindful of the price of freedom. Through Jesus Christ, Our Lord. Amen.

WE'LL NOT FORGET YOU

We'll not forget you,—who went out our door,
Your step to rhythm timed, so young so brave;
Though when war ends you will return no more,
A nation's heart will be for you a grave.

And while you sleep in seas where navies ride,
Or on some shore where balmy breezes blow,
Gladly for us and liberty you died,
And to cast down a crazed and cruel foe.

We'll not forget you; Peace shall yet return,
To raise again her fane in ruined lands,
And happy children in school days shall learn
That it was builded by your young, strong hands;

And Faith even now through sorrow's haze may view
A social structure that owes much to you.
