### THE WAR CHARITIES ACT, 1939

Whereas section 8 of the War Charities Act, 1939, provides that the Minister of National War Services may make regulations respecting the matters therein referred to and generally for carrying the said Act into effect and whereas for the due administration of the said Act certain regulations and forms are necessary,

Now, therefore, I, Joseph T. Thorson, Minister of National War Services, by and under the powers conferred upon me by the said Act as well as any other power thereunto enabling me, do make and constitute the regulations and forms hereunto attached as regulations and forms under the War Charities Act, 1939.

Given under my hand the twentieth day of June, A.D., 1941.

JOSEPH T. THORSON,  
*Minister of National War Services.*

### REGULATIONS

1. In these regulations the word "Act" shall mean the War Charities Act, 1939, and the word "Fund" shall mean a War Charities Fund as defined in said Act.

2. (a) When an application for registration of a Fund is made by a company, association or institution having branches, there shall be shown therein the name, location and street address of each branch to which authority is intended to be given by the parent body for the raising of funds under this Act, and the name and address of the officer or officers of such branch who are to be authorized under Section 4 (ii) (d) of the Act. The Fund of every such branch shall be subject to the provisions of the Act and to all regulations made or to be made thereunder and a separate certificate of registration may be issued with respect to the Fund of said branch. Nothing herein, however, is to prevent any such branch from making separate application, as if it were a separate entity, for the registration of a Fund.

(b) When registration is made by a parent organization, as aforesaid, of the Fund of any branch thereof, the parent organization and the Fund of said branch shall be jointly and severally responsible for the furnishing to the Secretary of State of the Statement of

Accounts required under regulations numbers 7 (a) and (b) and 8; only receipt by the Minister of a Statement of Accounts in form and substance satisfactory to the Minister will relieve the parent organization of such obligation.

3. (a) The application for registration shall be in writing, addressed to the Minister in form "A" of the schedule hereto, or to like effect, and shall be accompanied in the case of a company, association or institution which was in existence on the 3rd day of September, 1939, by a certified copy of its Letters Patent or Charter, and constitution and by-laws and a certified copy of its last annual Financial Statement. The said Financial Statement shall be for a period ending not more than six months prior to the date of the application for registration.

(b) The said application must clearly show,

- (i) Methods to be followed in the establishment and administration of the said Fund.
- (ii) The total moneys expected to be collected.
- (iii) The estimated detailed cost of collecting said moneys.
- (iv) The principal objects upon which expenditures from said Fund are to be made.

4. The application shall be signed, in the case of individuals, by the persons under whose auspices the Fund shall be raised, and in the case of companies, associations or institutions by at least two of the chief officers thereof under their official designation.

5. (a) The certificate of registration which may be issued by the Minister shall be in form "B" of the schedule hereto, or to like effect.

(b) Such registration shall be effective for a period of one year only but may be renewed by the Minister for a further like period, if the Minister is satisfied that the Fund so registered has fully complied with the Act and regulations and that such renewal is in the public interest.

6. All registers kept by the Minister shall be open for inspection, during office hours, by any person and on request copies thereof may be obtained on payment therefor at the rate of 10 cents for every hundred words.

7. (a) Every Fund registered under this Act shall, on or before the 31st day of January in each year, file a statement as at the 31st of December preceding, giving particulars of the activities of the Fund during the last year or the part thereof during which said Fund has been in existence; such statement shall be in form "C" of the schedule hereto.

(b) Every Fund which collects money by special projects such as carnivals, bazaars, shows, exhibitions or other entertainments, or under any other contract or arrangement whereby the Fund is to obtain a percentage or proportion of any receipts, must within one month from the date of the conclusion of such event, mail to the Minister of National War Services a fully itemized statement of gross receipts and expenditures with respect to the said Fund duly certified by at least two members of the committee authorized under Section 5 (a) of the Act.

(c) Registration shall not be granted to any Fund which proposes to make collections under a contract or arrangements whereby an organization or person is to receive remuneration based on a percentage or other scale dependent upon the amount of contributions collected by such organization or person.

(d) Registration shall not be granted to any Fund which makes or proposes or attempts to make any commercial contract for collection by telephonic communication whether by soliciting for the sale of tickets, coupons, advertising contracts or otherwise; the registration of any Fund which violates the provisions of this regulation shall be forthwith terminated by the Minister.

8. The accounts of every Fund shall be audited by a practising professional accountant for the period beginning with the registration of said Fund and continuing up to the 31st day of December next following, and regularly thereafter for each succeeding twelve-month period, and a copy of said annual accounts, duly certified as correct by said accountant, shall be filed with the Minister on or before the 31st day of January following; provided, however, that where the total gross receipts, whether in money or in kind, have been less than \$2,000.00 in any accounting period, said accounts may be audited by the bank manager and the accountant of the bank in which the funds are deposited, the accounting to be verified by a certificate of the manager and accountant and an affidavit by two of the proper officers of said Fund in the Form "D" in the Schedule hereto, or to like effect.

9. After the registration of the Fund, meetings of the committee or other governing body of the Fund, as provided for in Section 5, ss. (a) of the Act, shall be held at least once a month and at such additional times as such body may determine, for the consideration of the activities of the Fund, and full minutes of all such meetings shall be kept in accordance with the provisions of subsection (b) of said section; provided, however, that this regulation shall not apply to any national or provincial Fund or to other funds of a similar character or scope, if the constitution or by-laws of said Fund provides for regular meetings in a manner satisfactory to the Minister and a request is made in the application for registration for exemption by reason thereof from the provisions of this regulation.

10. Whenever any change or variation takes place or is made, subsequent to registration, in matters, particulars of which are given in any application for registration, notice of such change and full explanation as to the reason therefor shall forthwith be given by letter to the Minister.

11. The Minister may at any time demand from the Fund a special return giving such information respecting the status or activities thereof as may be set out in such demand.

12. Upon the termination of the registration of any Fund by the Minister, a notice thereof shall be published in the *Canada Gazette*, and, if deemed expedient by the Minister, in such newspaper as the Minister may direct.

13. The Minister may, in his discretion, issue a permit to any person, association or institution, who otherwise qualifies under the Act, to conduct a single function only, if it is found not to be in the public interest to grant registration as a continuing war charity. Such permission shall be in writing, naming the event for which the permit is issued and the disposition that is to be made of the proceeds. Nothing in this section shall exempt such funds from the provisions of section seven (b) of the regulations.

14. The Minister may limit the operations of any Registered Fund to a specific territory.

15. No Fund registered under the War Charities Act, 1939, shall undertake any special project such as a carnival, bazaar, show, exhibition or other entertainment, unless the estimated cost of such special project shall not exceed twenty-five per cent of the anticipated gross proceeds, and registration shall not be granted to any Fund which proposes to undertake any such special project, except subject to the condition that the estimated cost of any such project shall not exceed twenty-five per cent of the anticipated gross proceeds.

16. A registered Fund which plans to engage the services of entertainment talent from outside Canada must first secure the permission of the Minister.
