Under the Naval and Military War Pensions Act, 1915, a local committee has been established for the area in which a soldier intends to reside. The duty of this committee is to make provision for the care of disabled men after they have left the service, including provision for their health, training, and employment.

This card is issued to each disabled soldier on discharge, to show to which local committee he should apply.

Any change of address should be at once notified to the Local Committee where registered.
