

To My Family

Think of me, dear, when I am absent
 Send me a message to cheer my way,
 Tell me again I shall find you waiting
 When I come back; dear, some happy day

I'm thinking of you now, dear,
 And send this just to tell
 A little word of love to you.
 From one who loves you well.

Do you often think of me, I wonder?
 Somehow in my heart I feel you do!
 Send a little message just to tell me
 If you miss me, dear, as I miss you.

God bless and keep you, - tenderly I pray
 And this my earnest prayer will ever be
 I ask his blessing for you night and day,
 My own dear family, so very dear to me.

God Bless You Mother, Father
and Family.

Good Luck.

Sandy
