Information About The Government Liquor Control Act, 1928

RE PERMITS: There are three classes of permits issued under "The Government Liquor Control Act, 1928," for the purchase of spirituous and malt liquors.

(1) **GENERAL PERMIT**, for which there is a fee of one dollar. Persons wishing to obtain permits must be over twenty-one years of age. Applications for permits must be made before an authorized officer of the Commission. Permits may not be issued to an Indian, or to an interdicted person, or any person whose permit has been cancelled, until after the expiration of one year from the date of cancellation, or to more than one person resident in a hotel or club, other than a guest or resident member of a club. Permits are not transferable. A permit is only valid so long as the holder's residence remains the same as shown in the permit. Upon proof of loss or destruction of a permit or change of residence, the permittee may obtain a duplicate on payment of the prescribed fee of fifty cents, but temporary residence may be registered, without charge.

(2) **SPECIAL PERMITS**, Section 39, paragraph "V," under which the holder of a subsisting General Permit may, when he is absent from his permanent residence, purchase liquor which may be used in a Cottage, Lodge, Tent or Camp owned or leased by him at a Summer Resort or shooting place, or in a room in a hotel of which he is a bona fide guest. Paragraph 3 and 4, to a person in charge of an Institution, operated as a Hospital, Sanatorium or Home for Aged and Infirm people or to a priest, Minister of the Gospel or Clergy of any religious Body or Church to purchase Wine for Sacramental uses only. There shall be no fee for these special permits.

(3) **Applicants for General permits when making personal application for permit, are required to produce their National Registration Certificate, and at any time thereafter, when making purchases, if so required by Commission employees.**

(4) **BANQUET PERMIT**, fee two dollars, may be issued to any individual in charge of a banquet, or to any recognized society, association, club or other duly constituted organization, whether incorporated or not. Application for Banquet Permits must be received at the Head Office of the Commission at least FIVE DAYS prior to the date set for the banquet. Not more than two banquet permits may be issued to any individual or organization in one year. **No permit will be issued for use on SUNDAYS and RELIGIOUS HOLIDAYS.** Applications for permits must be made on the forms prescribed by the Commission. **THE ATTENTION OF THE PERMITTEE** is particularly drawn to "The Government Liquor Control Act, 1928,"—interpretation of residence— which means "a private dwelling house, that is to say, a building or part of a building which is bona fide and actually occupied and used solely as a private dwelling or a private guest room in a hotel or in a club," but does not include a house, building or room which is directly connected with business premises unless the application for the permit was approved by an official of the Commission specially appointed for that purpose. Permits that are issued on incorrect information contained in the application will be either suspended or cancelled by the Commission.

(5) **Quantities which may be purchased by General and Special permit holders:**

(a) **SPIRITS**—Not more than 55 ounces per calendar month.
(This may be obtained in one purchase)

(b) **WINE**—Not more than 2 gallons per calendar month, but not more than 1 gallon per calendar week.

(c) **BEER**—Not more than 4 cases (ninety-six pints), in any calendar month but not more than one case (twenty-four pints) in any calendar week.

EXPRESS SHIPMENT—The quantities that may be purchased at any one time are the maximum quantities that may be shipped to permit holders.

SUBJECT TO CHANGE WITHOUT NOTICE

(6) Delivery service of spirituous liquor and wine is indefinitely suspended. A partial delivery service is maintained by Brewing Companies in Greater Winnipeg, particulars on request at Brewery Offices.

(7) **BEER DEPOTS**: for consumption at either their permanent or temporary residences, general and special permittees may purchase beer in quantities of six, twelve and twenty-four bottles in any one day, during specified hours, at hotels in the Province in respect of which the Commission has issued a Beer Vendor's license. Hotel-keepers in the City of Winnipeg, licensed as Beer Vendors are limited to the sale of similar quantities, as quoted above to permittees resident only in the hotel.

Copies of "The Government Liquor Control Act, 1928," may be obtained from the Commission at \$1.00 per copy.

DOCTORS' PRESCRIPTIONS will be filled at all stores and branches.

After stores are closed in Winnipeg, prescriptions will be filled at 317 McDermot Avenue, day or night, Sunday included.

Owing to the limited space in some Stores, all brands listed are not in stock, but may be obtained at Head Office, 317 McDermot Avenue, if procurable.

Special prices are granted to Hospitals, Manufacturers, Clergy (Sacramental Wine) and Druggists, covering purchases on Special Permit. These prices will be supplied on application to Head Office.

All claims for breakages, shortages, or mistakes in orders must be made within twenty-four hours of delivery, at District Branches or in Winnipeg at 317 McDermot Avenue only.
