CIRCULATION DEPARTMENT

Sept 11 / 44

Dear Agent:

We are in receipt of your order to add Star Weeklies to your draw. In view of the fact that The Star Weekly has frozen its circulation at 750,000, because of the newsprint shortage, we are unable to accept increase orders for the duration of the war. We are unable to add the papers requested in your most recent instructions.

Yours very truly,

THE TORONTO STAR,

J. B. Cowan

RBC/G

Circulation Manager.
