PAY AND ALLOWANCES
OF QUARTERMASTER
LIEUT. C.W. SIEVEWRIGHT
A.R.D.

Referring to your XI-12-127, I would state that the marginally noted Officer performed the duties of Quartermaster of this Depot from June 5th until July 5th both dates inclusive. He would therefore under Article 216-F1-1916, appear to be entitled to an extra 50cents per Diem in addition to pay of his rank.

As he carried out the duties in a satisfactory manner I would strongly recommend that this additional Allowance be granted to him.

This Officer has since been returned to Canada on Medical Grounds. His present address is, 10169 115th Street, Edmonton, Alberta.

"If a combatant officer, performs the duty of Quartermaster in addition to his own Regt'l duties for a Unit with not less than 100 men, the question of granting extra pay of 50 cents per diem, the same is provided for Paymasters might be considered if recommended, see Article 216 Financial Inst. 1916 "

If this claim fulfills conditions laid down by the Account General, will you please forward your recommendation with regard to it."
