SAINT JOHN, N. B.
DECEMBER 15TH
1922

War Diary 2nd C.B.A.C.

¶ A number of these books
are still on hand and ex-
members can obtain a copy
on application to R. F.
Logan, care of Customs
House, St. John, N. B.

¶ The list of addresses pub-
lished shows those who have
received a copy, and it
would be appreciated if the
boys who know the where-
abouts of other members
would inform them of the
existence of this souvenir.

EX-MEMBERS, other than those residing in St. John, are requested to forward to R. F. Logan, a statement showing how they are employed, and their correct addresses. This information will be published later and distributed to the boys if the number of replies warrant it.

LEST WE FORGET

The following orders are republished from some of the old files:

A VERY FAMILIAR ONE

All leave is cancelled. (Column R.O. 4875.)

THE MONEY MARKET WAS TIGHT

The attention of the C. R. A. has been drawn to the fact that some soldiers have sold blankets to civilians. Every precaution must be taken at once to stop this practice. Units will hold an inspection at least once a week for the purpose of checking up the number of blankets in possession of each O. R. (Column R. O. 4834.)

THIS IS A HARD ONE TO COMPREE

No men will proceed on leave to Brussels without being paid. (Column R. O. 4825.)

INFLUENZA

Public places of entertainment are placed "out of bounds" to all troops. Cinema and entertainment halls will be closed, and church parades held in the open. (Column R. O. 4877) (Germany).

EXCEPT TO OFFICERS

Hotel bars are out of bounds except to officers. (Column R. O. 4661) (Germany.)

HARD LUCK

No. 157557 Gnr. — D.H. sentenced to forfeit 7 days' pay, 2-8-18, for "when O. A. S. neglect to the prejudice of good order and military discipline in that he whilst acting as officers' cook failed to prepare dinner, 1-8-18." (Daily Orders Pt. II, No. 95.)

THERE'S A REASON FOR ALL THINGS

All warrant officers, non-commissioned officers and men, on leave, remaining in London for a period exceeding six hours, must

report at No. 3 Southampton Street, Strand, W. C. 2. (Column R. O. 4550.)

EXIT CHARLES CHAPLIN

It being now optional whether the upper lip be shaved or not by officers and men, if a moustache is worn no portion of the upper lip shall be shaved. (G. R. O. 1854.)

WHY SHE DIDN'T RECEIVE THAT LETTER

No issue of green envelopes will be made this week.

JOURNÉE DU PAS DE CALAIS

Column Routine Orders of the 19th September, 1918, advertised the fact that for a small sum the Department of Calais would forward medals commemorating the chief battles fought in the Pas de Calais. Several members of the Unit subscribed, but no medals arrived. The matter was taken up with the Préfet of Pas de Calais after demobilization and he advised in part that, while, no doubt, the money was spent for a worthy purpose, he was unable to procure any medals, as the committee elected for this purpose has been disbanded. In a few words, they got our money and we got no medals.

WHAT THE ST. JOHN BOYS ARE DOING

Considering St. John as the "Home Depot" of the D. A. C., it might interest the members "On Command" to know what we are doing here. On the occasion of the landing of the Prince of Wales in Canada at St. John, old D. A. C. members had a dinner at the Armouries which was much enjoyed. Many suggestions have been made and questions asked as to when we will have a Unit reunion. The only answer is: As soon as we can locate a budding Rockefeller or Ford to finance the proposition.
