CORRESPONDENCE HERE

on board Transport - 21 Mar 16.

Dear Mrs Hunter:

very many thanks for  
the rocks which brother forwarded.  
I can assure you they were appreciated.  
Government rocks may be all very  
well for some people & some conditions  
but they can't touch homemade. You  
see here some of the boys of the 8 out  
snow shoveling. It was cold in Siberia. My regards  
to Dr. & again the warmest thanks. Sincerely,  
Philip Baranoff.
