Recd letter O.K. & will answer
soon. Glad to hear books
got in. I myself are well. This is
a copy of the Journal of one of our
chaps who died last week. Am
sending Andrew & father a different
view. Have a look at these & see
what like it is. Having a good
time & as usual all sorts of
rumors about leaving but nothing
definite. Remember me to Mrs
S. or Love Dave.
