O. A. S

my Dearest Louie,

Just a line to say I

am alright. It has been a lovely
day & I have been down to Namut.

We put the clock on one hour
to night so I guess we lose an
hour's sleep. I have just in got a

three days pass to Brimley & shall
go to see the battlefield at Waterloo.

I will write a letter perhaps
tomorrow. A heap of love & kisses
Sydney.

1/3/19.
