

Look sharp ! or the
79th Canadians will catch us

POST

CARD

Printed
at
our works
in
London.

Well Edith, I hope you
are liking your farm
work yet. and don't
forget to go and see
your mother every
chance you get. and
I want you to write
and let me know how
you get along with your
work and if you have
learned milking yet.

To. Edith from Dad
