

I got this from  
one of the boys  
in the <sup>old</sup> Platoon  
a couple of days ago.  
It was taken in  
the good old days of  
the (fighting 45th)  
when we use to do  
Brigade route marches.  
We have halted for  
dinner. The picture  
shows some of the boys  
of our Platoon. You can  
see George Bullworth  
just behind me <sup>with his</sup>  
<sup>hat off.</sup>
