Here a line to let  
you know I received your  
ever welcome letter which I was g'd  
to receive for I do not get much  
mail anymore just now I  
guess it is because I do not  
answer them but you know  
how it is when you are in love  
or at least have a little idea  
I have a little bit of news to  
tell you which you I guess will  
tell the others, I have got engaged at-  
last, I was surprised to think anyone  
will be hard on for a man as to have  
me but its all in your lifetime, say  
dear dont laugh at this thing  
on the other side of course he had  
to put a glass in the machine afterwards  
I will call round and see you if I  
ever get to England again  
with my best respects to all Will
