GENERAL ORDERS.

1917.

HEADQUARTERS,

OTTAWA, 1st May, 1917.

INSTRUCTIONS, REGULATIONS, ETC.

FINANCIAL INSTRUCTIONS AND ALLOWAN-
CES FOR THE CANADIAN EXPEDI-
TIONARY FORCE, 1916.—
AMENDMENT.

Article 126 is hereby cancelled and the following **O.G. 47**
substituted therefor:— 1917.

126. All sums due to the public and chargeable to Non-commissioned officers and men, such as barrack damages, fines, mulct pay, forfeitures, etc., are to be recovered by placing them in the "other charges" column of the Pay-list, and a remark is to be entered in the "remarks" column, indicating the nature of each stoppage.

In the cases of losses of articles of clothing or regimental necessities the Officer Commanding the Company, etc., is to prepare an indent in quintuplicate on M.F.C. 512, showing the name of each man for whom issues are required to replace deficiencies, and the articles required to be issued, and the Officer is to send all the copies of the indent to the Quartermaster of the Unit on a date to be arranged by its Commanding Officer.

The value of the articles issued to each individual is to be inserted by the Quartermaster, and each man is to sign each copy of the indent for the articles issued to him.

General Orders (Instructions, Regulations, etc.)—continued.

Four copies of the indent are then to be forwarded to the Senior Ordnance Officer, and he is to certify on the back of each copy that the prices charged are in accordance with the priced list of stores, clothing and necessaries, and is to return all four copies to the Unit without delay.

The four copies thus certified will then be sent to the Regimental Paymaster not later than the 23rd of the month. Immediately on receipt of the copies the Regimental Paymaster is to charge under "other charges" the total amount against the man concerned, and is then to certify on the back of each copy that this has been done.

The said four copies of indent are then to be forwarded with the pay-list to the District Inspector of Accounts and Records. After the District Inspector has audited the Pay-list he is to certify on the back of each copy of indent that the amount charged has been credited to the public and is to return two copies of the indent to the Unit without delay.

If articles are required to be replaced the issue from Ordnance will be a free one, to complete establishment, to replace a similar quantity issued on repayment by the Unit.

Kit inspections should be held not later than the 15th of each month to enable indents, etc., to be completed before the end of the month.

In the cases of charges for loss of equipment, or charges as assessed for repairs, M.F.D. 871 will be used, and the same procedure followed with this form, to credit the amount to the public as with M.F.C. 512 for issue of clothing and necessaries on repayment. If these charges have not been recovered before the Unit proceeds overseas the cash debit voucher will be forwarded to the Chief Paymaster, C.E.F., England, for collection, and an additional copy of the voucher will be required to be forwarded to Militia Headquarters certified to that effect for record.

(H.Q. 54-21-15-48).

General Orders (Instructions, Regulations, etc.)—continued.
