Margaret Dear.

Just a note to let you
know that Ruined your two last letters
the 15 and 17th. And about my
address they are nothing wrong with
it. I got it just your mail
servers. I was going to write
last night. But we made a door
for our house. And it was too late
after. Our light had to go out.
I was glad to hear that you had
a good weekend. And glad to hear
you got a new coat.

I got a letter from home and
one from the Berque upper sachels
they want to know what two
of the boys are on their way
here to work. So I am going up
to see if they are here to night.
Will hope I can say I want to
say how do you like my papers
I am seen you a vice. He much
but you no I am now good
at them. I just got a letter
from you this morn. *in handwriting*
