GENERAL REGULATIONS

2. Students must be given instruction in the order prescribed for each course.

3. On request, Students will be allowed to accompany ancillary trains.

5. Each Student is required to make a weekly report of work done, the same to be sent to the officer under whom he is working, who will forward same to Mr. Bryce, Secretary of the Office of the Assistant General Manager, Montreal.

6. Each Student is required to prepare at the end of each month a memorandum of his work, forwarding the same to the officer under whom he is working, who in turn will certify to its correctness and forward to Mr. Goodfellow. In the case of a Student's transfer from one point to another before the end of the month, a separate memorandum of his time at the point from which he is being transferred should also be made out and handed similarly to memorandum he sends in at the end of each month.

8. It will be expected that the duties to be performed by Transportation Students have been carefully outlined and must be strictly followed, unless specific authority to the contrary is received from the Assistant General Manager.

It is to be hoped that all officers and employees coming in contact with Transportation Students will appreciate that the Car

pany has adopted this means of specially training men for its service, and I confidently expect that our officers and employees will, in every way they can, assist Students in performing the work outlined for them.
