INFORMATION AND SERVICE HANDBOOK

EMPLOYMENT.

Department of Labor.

If the discharged man is looking for employment, he should apply at one of the Government Employment Offices, which are being established in all the larger centres of employment throughout Canada. These Offices are working in close co-operation with other Provincial and Dominion Government Departments, the different Associations which are interesting themselves with the returned soldier, and all employers of labour throughout the Dominion. In each Employment Office there is a representative of the Information and Service Branch of the Department of Soldiers' Civil Re-Establishment—a man who has served overseas—to give assistance to the returned man regarding employment and other matters.

**For local addresses see inside
back cover.**

INFORMATION AND SERVICE BRANCH.

Department of S.C.R.

This Branch of the Department of Soldiers' Civil Re-Establishment has been organized to be of special service to the returned man in securing for him preference when assignments of available positions are being made in the Employment Offices.

Representatives of this Branch are at the Clearing Depots. They are also to be found at the Local Offices of the Branch in each dispersal area as well as at the Employment Offices. Any of its representatives are available for advice or information desired by any returned man.

For local addresses see inside back cover.

WHERE THERE IS NO GOV- ERNMENT EMPLOY- MENT OFFICE.

NOTE.—The returned man in towns and villages should first apply to this office by mail. These applications will receive the same attention as if the soldier applied personally, and it will save him the expense of travelling to the city when he is not certain of obtaining employment.

For local addresses see inside back cover.

MEDICAL SERVICE.

Department of S.C.R.

If the returned man suffers from recurrence of a disability due to War Service, he may obtain free medical or hospital treatment appliances and surgical care for such disability by applying to one of the Medical Representatives of the Department of Soldiers' Civil Re-Establishment. For the local offices in this Dispersal Area see inside back cover.

Additional offices will be opened from time to time, the addresses of which will appear in the local newspapers.

Should the returned man be taken ill in a place where there is no representative of the Department, he should call in a local physician to give him the necessary immediate treatment and ask him to communicate immediately all details of the case to the nearest medical representative of the Department.

The Department cannot pay any bills for treatment which have not been authorized by its Medical Representatives.
