Returned Men

Information and Service Branch

What It Does!

It is responsible for giving sympathetic, skilled assistance to the needs of each returned man, and as far as possible, adjusting his problems.

In collaboration with the Employment Service of Canada, it introduces returned men to employers and keeps in touch with them until they are definitely placed in suitable employment.

There are ninety-four such employment offices throughout Canada.

The PROFESSIONAL AND BUSINESS SECTION is organized to deal with professional, business and technically trained men.
