*Patroness-in-Chief*—H.R.H. THE PRINCESS ROYAL

THE Scheme for this Establishment was formulated by the Rotary Club of Edinburgh, and was unanimously adopted at a Representative Meeting held in the Council Chambers under the Chairmanship of the Lord Provost of Edinburgh.

The premises are situated 100 yards east of General Post Office, and have a back staircase leading directly down to one of the entrances to Waverley Station. The Rest House was partially opened on 12th June 1940, and has been materially extended. It now consists of a large Canteen, which can seat more than 200 at one time; a Lounge; a Recreation Hall; a Writing and Silence Room; a Mending and Chiropody Room; two airy Dormitories with sleeping accommodation for 366 men; adequate Lavatories with Plunge, Spray, Footbaths, etc.; an Armoury and Cloak-room; and a modern Kitchen with adequate storage accommodation.

Good meals are served at the most moderate prices, and, during the first six months, over 30,000 men have slept on the premises.
