August 20, 1940.

James L. Cartmell Esq.,  
Assistant Clerk-Treasurer,  
Thorold, Ontario.

Dear Sir: re Volunteer Civil Guard - Town of Thorold

I have for acknowledgement your letter of the 17th inst., and as requested, six additional copies of the Syllabus have been mailed to you under separate cover.

I note from your letter that the Mayor has appointed Flight Lieutenant L. T. Bradley as the Commanding Officer of your Volunteer Civil Guard. I therefore now enclose two forms to be filled out by Lieut. Bradley, who should then appear before a Magistrate and be sworn in as an honorary member of the Reserve of the Ontario Provincial Police. When this has been done, will you kindly return the completed forms to this office, and an Identification Card will be issued to Lieut. Bradley by the Commissioner of Police for Ontario.

From your letter I also note that you have approximately two hundred members in your Guard, and I am therefore sending you under separate cover 200 registration forms, and shall be glad to furnish the required number of arm bands when your Guard has been fully enrolled.

Yours truly,
